

CLASSIC STEEL

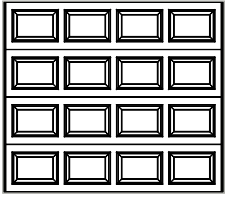

Model 8024, Colonial Panel, Almond finish, Stockton I windows

DOOR FEATURES

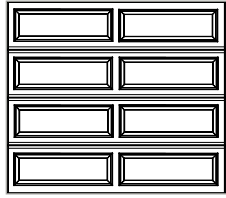

- Embossed, 24-gauge steel panels give the look of wood with the strength of steel
- Two-coat, baked-on polyester finish is virtually maintenance-free. This finish also makes an excellent base if you repaint to match the existing exterior color of your home
- Heavy-gauge steel wrap-around end caps trim-out door edges for better appearance and improved strength
- SilentGlide™ rollers with nylon tires and solid steel shafts provide years of smooth, quiet, dependable service (not available in all sizes)
- Tongue-and-groove panel joints fit together snugly to help seal out wind and weather
- Bulb-shaped bottom seal remains flexible to keep out bad weather

1 Choose Your Style

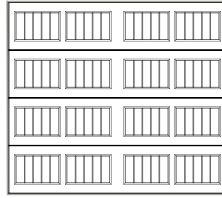

Steel panels are embossed with a wood grain texture giving the look of genuine wood.
