

Wood Grain Impressions™ Finish Collection

Transform your garage with the authentic and captivating appearance of wood through a high-quality, digitally printed non-repeating grain on a robust steel garage door. This innovative design seamlessly blends the strength and durability of steel with the timeless beauty and charm of wood, resulting in a stunning and reliable option for enhancing the aesthetics of your garage.

DOOR FEATURES

Effective Joint Seals

Snug-fitting tongue-and-groove section joints reduces wind and weather from entering the garage.

Foamed-In-Place Polyurethane Insulation

Thermally efficient with an R-value* of 12.12[†] for Model 8300.

Heavy Gauge Steel End Caps

Wrap-around end caps trim out door edges for better appearance, improved strength and protect the insulation from damage.

Wind Load Options Available

with structural reinforcements for use in coastal or high wind regions.

Limited Lifetime Warranty

*Wayne Dalton uses a calculated door section R-value for our insulated doors. [†]R-value is for 8' tall doors. R-value for other door heights may vary slightly. See website for warranty and wind load details.
